ORDER ACCEPTING MAGISTRATE JUDGE'S RECOMMENDATION AND
ADOPTING HIS REPORT CONCERNING LEGAL FEES

McMahon, J.:

The Court, exercising supplemental jurisdiction in this copyright infringement action, referred the issue of fees owed by plaintiff to its law firm, Tabner, Ryan & Keniry ("TRK") to The Hon. Paul E. Davison, U.S.M.J., for a Report and Recommendation.

I thank the learned Magistrate Judge for his hard work and accept his Recommendation that TRK be paid for work performed during the period March 4, 2009 through September 28, 2009 in an amount totaling \$23,195.40. The Court adopts the Report as its opinion. The Report has been filed under seal, and the Court agrees with the Magistrate Judge's determination that it ought to remain under seal, together with all supporting papers.
